Please consult an investment adviser for advice on retirement savings.

Fees and expenses

Generally I won't charge you any fees for the financial advice I provide to you. This is possible because, on settlement of a loan, I usually receive commission from the lender. Any exceptions to this general position are explained below.

I may charge you a one-off fee if the following occurs:

(a) When I don't receive commission from the lender: If you request that I provide financial advice and I do not receive a commission from the lender, I may charge you a one-off fee. Any such fee would be agreed and authorised by you in writing before I complete the services, and would be based on an estimate of the time spent providing the advice.

[This may arise in the rare event that you request that I provide services in relation to either a product that is offered by a lender that I do not hold an accreditation with, or a product that is outside my usual arrangements with my product providers].

(b) When I have to repay commission to the lender: If a lender requires that I repay commission within 28 months of settlement of your loan, we may charge you a one-off fee. Any such fee would be no more than \$2,500 (plus GST) and would be calculated based on a rate of \$250 (plus GST) per hour of my time spent providing financial advice to you in connection with the applicable loan. The fee I charge you will not exceed the amount of commission I have to repay to the lender.

You will be invoiced for any one-off fee and will be given 30 days to make payment.

Conflicts of interest

Commission

On settlement of a mortgage I usually receive commission from the applicable product provider. The commission is generally of an upfront nature but may also include a trail commission. I also receive a fixed rate roll over fee from some product providers if I assist in refixing your loan.

We manage these conflicts of interest by:

- Always recommending the best product for your purpose regardless of the type and amount of commission I will receive.
- Ensuring the amount of any loan is in accordance with your identified needs.
- Providing you with the below table showing commission rates and types by product provider

The commission I receive on loans is calculated as a percentage of the loan.

Lender	Upfront%	Trail%	Refix (\$)
ANZ	0.85%	0.00%	\$150.00
Westpac	0.60%	0.20%	\$0.00
